

## Dashboard

The dashboard displays four key metrics in a 2x2 grid. Each metric is represented by a dark gray card with white text. The first row contains 'Offene Posten' with a value of 38 and 'Umsatz' with a value of 210'993. The second row contains 'Kunden' with a value of 1294 and 'Other Metrics' with a value of 38. The remaining four cards in the grid are empty.

Metric	Value
Offene Posten	38
Umsatz	210'993
Kunden	1294
Other Metrics	38

Offene Posten

38

Umsatz  
210'993

Kunden  
1294

Other Metrics

38

The diagram illustrates a user interface for a 'Customer'. It features a dark gray sidebar on the left with four horizontal menu items. The main content area is white and contains a large dark gray rectangle labeled 'DATAGRID' in the center. The title 'Customer' is positioned at the top left of the main area.

DATAGRID

The diagram illustrates a web application layout. It features a red header bar at the top. Below the header, there is a dark gray sidebar on the left containing four horizontal, rounded rectangular buttons. To the right of the sidebar, the main content area is divided into two sections. The top section is white and contains the text "Offene Posten". The bottom section is a large dark gray rectangle containing the text "DATAGRID" in white, centered.

The image shows a web application interface. At the top is a solid red horizontal bar. On the left side, there is a dark grey vertical sidebar containing four light grey, rounded rectangular buttons stacked vertically. The main content area is white and features the text "Rechnung No. 214824" in a black, sans-serif font. In the bottom right corner of the white area, there are two red, rounded rectangular buttons. The first button contains the text "Send with Email" and the second button contains the text "Print", both in white font.
